"Second Thoughts are Best"

Sung by Mrs. WRIGHTEN at VAUXHALL.

Composed by Mr. Hook.

Come list to me, ye gay and free,
And ye whom cares molest,
War, Wine, and Love, but tend to prove,
That *second Thoughts are best!*
The Queen of Charms, the God of Arms, 5
Gay *Bacchus* and the rest,
When ask'd ne'er flounce, but all pronounce
That *second Thoughts are best!*

The jealous boy, if *Daphne's* coy, 10
'Gainst *Cupid* will protest;
His nymph disdain, then think again;
For *second Thoughts are best!*
The fair-one too, unus'd to woo,
Drives *Henry* from her breast,
Then seeks the elf, makes love herself, 15
For *second Thoughts are best!*

And *Mars*, who doats on scarlet coats,
I'm sure will stand the test,
Nor frowns on her, who dares aver,
That *second Thoughts are best!* 20
Even *Neptune* too, our fleet in view,
Kept *Gallia's* fleet in *Brest*,
They meant to fight, he put them right?
Their *second Thoughts are best!*

Again but mark the tippling spark, 25
When feated as a guest,
At first resign his darling wine,
But *second Thoughts are best!*
And you, I see, will side with me,
Some, louder than the rest, 30
Will cry, no more, and then encore,
But *second Thoughts are best!*
